OF GYMNASTICS

The European Union of Gymnastics ...

The European Union of Gymnastics (UEG) was founded in 1982 and counts today 47 national member federations. Its office is situated in Lausanne (SUI).

In the UEG programme are represented the following Olympic disciplines:

- men's artistic gymnastics,
- women's artistic gymnastics,
- rhythmic gymnastics, as well as
- trampoline gymnastics.

The non-Olympic disciplines are:

- acrobatic gymnastics,
- aerobic gymnastics and
- TeamGym, a discipline proper to the UEG.

With regard to Gymnastics for All, the UEG has also numerous offers for the different age groups.

... and its training camps

In 1985, the first UEG Training Camp in artistic gymnastics was organised in Tirrenia (ITA); at present, Training Camps are organised for all our disciplines and become more and more popular. As a matter of fact, thanks

to the commitment of the members of the respective Technical Committees and the highly qualified experts, the number of participants in these camps increases constantly.

We would like to seize this opportunity and to express our sincere gratitude to all volunteers without whom such events would be impossible to realise. And which better moment to choose to say THANK YOU than in the European Year of Volunteering.
